

VK5 2008-2012

On the occasion of the 5th anniversary of the VK5K, I thank the many loyal sponsors, donors, participants and volunteers who have given Vinny's Kids, Inc. the opportunity to provide fun and smiles to thousands of sick children.

Funds raised through the VK5K enable Vinny's Kids, Inc. to be a major donor to several programs that serve Central Pennsylvania children. Here are some of the ways that VKI has helped our beloved kids since 2004:

- In 2004, established the first Vinny's Kids Activities Room at Pinnacle Health's Harrisburg Hospital pediatric unit.
- Provides camping gear, swimming equipment, life jackets, climbing wall footholds and helmets, bike helmets, archery equipment, movies, books, games, puzzles and many other items for Camp Victory.
- Sponsors annually the cost of an arts and crafts director for Camp Victory.
- Provides arts and crafts items, games, prizes and banquet fun for Camp Echo.
- Pays camp tuition for Central Pennsylvania campers at various camps for medically compromised children.
- Camp Star campers received bike helmets, t-shirts, camp survival goodie bags, snack bags and prizes for games and sporting competitions.
- In December 2011, established a Vinny's Kids Activities Room at the Penn State Hershey Rehabilitation Hospital.

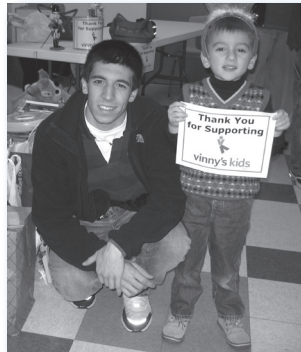

All donations to Vinny's Kids, Inc. remain in Central Pennsylvania to benefit our local children, and every dollar contributed is spent directly on the kids. Because Vinny's Kids is a private charity that operates strictly through volunteer efforts, there are no administrative costs, overhead or salaries.

I am grateful for the ongoing support of the local business community and the many, many community organizations who support Vinny's Kids throughout the year.

I continue to be inspired by the wonderful people who contribute in any way, and pledge to do my best to make a difference in the lives of children facing challenging illnesses. I appreciate your support of the VK5K and Vinny's Kids, Inc. Thank you for helping me achieve my goals.

VINNY'S KIDS, INC.

Vinny's Kids, Inc. was founded in 2004 by Vinny Cherry, then 14 years old, to provide sick children with entertainment during their hospital stay. Inspired by his own experience while hospitalized at age 7,

Vinny hoped to make the experience less stressful for young patients.

The program initially outfitted a Vinny's Kids Activities Room at the Harrisburg Hospital pediatric unit.

Since then, Vinny's Kids has expanded its outreach to other organizations for children facing chronic or life-threatening illnesses, other hospital-based pediatric programs and special needs programs. Other recipients include Camp Victory, a network of camps for children with specialized medical needs, Camp Echo and Camp STAR, all of which draw chronically ill children from the Central Pennsylvania area. Outreach has continued with the recent establishment of a Vinny's Kids Activities Room at the Penn State Hershey Rehabilitation Hospital.

The VK5K was created to support and raise awareness of Vinny's Kids, Inc.'s programs.

OUR MISSION

To create positive memories for hospitalized and chronically ill children as well as those with disabling conditions by providing appropriate entertainment to enhance and enrich their lives.
