The Safe from the Sun event was started to honor the lives of melanoma patients and their families. It raises awareness that melanoma is not "just skin cancer." The Safe from the Sun Walk & 5K Run starts with the excitement of the Kids' Dash kick-off, followed by the 2-mile walk, and 5K race that winds around Wilson Farm Park's beautiful trails. Other activities include our skin cancer screening by dermatology professionals, children's activities, and a diverse family expo. The event funds our family/patient hotline/email assistance and patient forum. We are dedicated to a future where top-notch melanoma treatment is accessible to all patients, so they may live longer, better lives.
