ABOUT OUR SCHOOL

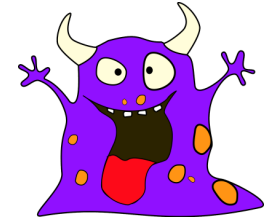

Lehigh Valley Academy is a fully authorized, dynamic K-12 International Baccalaureate World School. We serve 1,657 students in and beyond the Lehigh Valley and are committed to developing thinkers who are critical, creative, and open-minded, ready to embrace the challenges of a world-wide, diverse society. Our vision is to inspire lifelong learners capable of pursuing their goals and contributing to their community by providing an environment where all school members treat each other with respect and celebrate student achievement.

Thank You for Your Support!

This event will raise vital funds to support our K-12 STEAM (Science, Technology, Engineering, Arts, and Math) programs and will be used to purchase much needed educational technology to enhance our programs. We look forward to sharing a morning of fitness fun, prizes, Halloween costumes, and an opportunity to support and be associated with an outdoor event that promotes family wellness with members of the Lehigh Valley community.
