2nd Chance 4 Life Rescue is excited about our capital campaign — Project Furever Home. Our goal is to raise \$500,000 to have a permanent facility on at least four acres of land with multiple play yards and a building for healing, celebrating, grooming, boarding and short-term housing.

There is a huge need for ailing and senior dogs that will never find a forever home but need us as their forever family.

When medical treatment becomes too expensive, many dogs are abandoned to high-kill shelters. It's these animals that need your help. They need a Furever Home.
