The Donegal Foundation

Enriching Education through Community Partnerships

The Mission of the Donegal Foundation is "To promote and enrich the educational, cultural, athletic, health and wellness opportunities of the students and residents of the Donegal community."

Scholarships

The foundation provides over \$15,000 in yearly scholarships in many different areas. These include medical scholarships, STEM scholarships, memorial scholarships and community service scholarships.

Teacher Grants

Money is allotted each year to fund new and creative ideas that help educate our children. These ideas come from teacher requests and are evaluated by the Foundation.

Well Being Fund

This fund is used throughout the district to fulfill needs not usually covered by other sources. Helping to purchase appropriate clothing for a job interview, payment of an outstanding lunch bill for an elementary student, registration payment for a student who would greatly benefit from attending a conference, but could not afford the fee, are all examples of how this fund benefits our children. The fund is housed by the Donegal Foundation and is used by principals and guidance counselors in all levels.
