About The Kick Leuk Foundation

www.kickleuk.org

Founded by Bob and Suzanne Stephens, the mission of the Kick Leuk Foundation is to help fund research for pediatric leukemia and to support the families affected by pediatric cancer. Read more about their daughter Carly's diagnosis and their journey through treatment and discovery about acute myelogenous leukemia (AML) on their website.

AML is less common in children, making up about 15-20% of pediatric leukemias, and as a result, is one of the last in line for funding. The Kick Leuk Foundation tax ID is 46-2263617.

Please join us in this effort to raise money and awareness for the fight against pediatric leukemia.
